

ELSAYED ELMESTEKAWY, MD
CURRICULUM VITAE

SUMMARY

Name	Elsayed Mohamed Elmetekawy
Languages	Arabic (mother language) English: spoken and written French: beginner
Nationality	Egyptian
Home Address	97 Elghesh street, Tanta, Egypt
Current	Ottawa, Ontario, Canada
Residence	Ottawa, Ontario, Canada, K1Y 0P2
Telephone	1 613 2785612
Mobile	1 613 276 7843
Email	elmistekawy@yahoo.com
Academic	Professor, Cardiothoracic surgery, Tanta University, Tanta, Egypt
Position	
Clinical position	Consultant, Cardiac Surgeon

EDUCATION AND QUALIFICATIONS

Degrees and Diplomas

1996-2002: MD: Cardiothoracic Surgery Tanta University, Tanta, Egypt

1993-1996: M.sc.: general Surgery, Tanta University, Tanta-Egypt

1985-1991: MB. BCh: Graduated very good with Honor, Tanta University, Tanta Egypt

Qualifications, Licensures and Certifications

1993 Licensed as Medical Practitioner (Egypt)

1997 Licensed as Specialist: Surgery (Egypt)

2003 Licensed as Specialist: Cardiothoracic Surgery (Egypt)

2004 Licensed as Specialist: Cardiac Surgery (Saudi Arabia)

2006 College of Physician and Surgeon of Ontario (Canada)

Research Training

1994: M.Sc., General Surgery: Research Topic: Transseptal Mitral Valve Surgery

2000: MD; Cardiothoracic Surgery Research Topic: Normothermic technique during open heart Surgery

EDUCATION AND CAREER EXPERIENCE

January 2013-until now:

- Professor, Cardiothoracic Surgery, Faculty of Medicine, Tanta University.

January 2010- June 2014:

- Fellow, Cardiac Surgery, University of Ottawa Heart Institute, Ottawa, Canada.

July 2008 – January 2010:

- Assistant Professor, Cardiothoracic Surgery, Faculty of Medicine, Tanta University.

- Member of the Council of Cardiothoracic Surgery department, Faculty of Medicine, Tanta University.
- Consultant, Adult Cardiac Surgery, Ministry of Health, Middle Delta Insurance agency, Egypt.

July 2007 – June 2008:

- Clinical Fellow: Division of Cardiac and Vascular Surgery, St. Michael's Hospital, Toronto, Ontario, Canada.

July 2006 –June 2007

- Clinical Fellow: Division of Cardiac and Vascular Surgery, Sunnybrook Health Sciences Centre, Toronto, Canada.

March 2nd 2006-June 2006:

- Lecturer of Cardiothoracic Surgery, Faculty of medicine, Tanta University - Egypt

August 8th 2003-March 1st 2006:

- Registrar Cardiac Surgery Cardiac Services Department - NWAFFH, Tabuk, Saudi Arabia.

January 28th 2003- August 7th2003:

- Lecturer of Cardiothoracic Surgery, Faculty of medicine, Tanta University – Egypt

May 21st 1997 – Jan. 27th 2003:

- Assistant Lecturer of Cardiothoracic Surgery, Faculty of medicine, Tanta University - Egypt

November 3rd 1996 – May. 20th 1997:

- Instructor, Cardiothoracic Surgery: Tanta University Hospitals – Tanta, Egypt

Sep. 14th 1993 – Sept. 13th 1996:

- Resident of Cardiothoracic Surgery at Tanta University Hospitals- Egypt

March 1st 1993 – Sep. 13th 1993:

- General Practitioner: Rural and Military Health Services – Egypt

March 1st 1992 – Feb. 28th 1993:

- Rotating internship: Tanta University Hospitals, Egypt

PUBLICATIONS

Books chapters

1-Elsayed Elmistekawy , Vincent Chan and Theirry Mesana:2016 Surgical management , Indication, timing and surgical technique in Kwan-Leung Chan, John M. Embil . Endocarditis: Diagnosis and Management ; Springer NY, USA :153-177

2-Elsayed Elmistekawy , and Theirry Mesana: Operations for Valvular Heart Disease | TRICUSPID VALVE OPERATIONS. Sellke: Atlas of Cardiac Surgical Techniques, 2edition .2017 In progress

National and International Meeting Presentations:

XII Annual Medical Conference, Faculty of Medicine Tanta University, 1998: Egypt:

- Transseptal Approach for Mitral Valve Surgery

7th Annual Meeting of the Egyptian Cardiothoracic Surgery, 2000: Egypt

- Transseptal Approach for Mitral Valve Surgery

18th Annual Medical Conference, Faculty of Medicine.Tanta University, 2003: Egypt

- Nosocomial Pneumonia after Cardiac Surgery
- Normothermia during open heart surgery
- Advances in Surgical Treatment of Bacterial Endocarditis

15th Scientific Session of the Saudi Heart Association, 2004: KSA

- Anticoagulants in Pregnant Women with Prosthetic Valves
- Radial Artery for Coronary Artery Bypass Grafting

11th Annual Meeting of the Egyptian Cardiothoracic Surgery, 2004 : Egypt

- Bleeding in pediatric patients after Cardiac Surgery: Comparative Study of 3 drugs.
- Masquerading leiomyoma in Cardiac Surgical patient: A case Report
- Harvesting of the Radial Artery for Coronary Artery Bypass Grafting:
- Comparison of Ultrasonic Harmonic Scalpel Dissector with the Conventional Technique

12th Annual Meeting of the Asian Society of Cardiovascular Surgery , 2004 Istanbul-Turkey

- Comparison of the oxygen content, delivery, total body oxygen consumption And oxygen extraction fraction between off-pump (OPCAB) and conventional CABG.
- Blood loss after pediatric cardiac surgery: A Comparison of three drugs.
- Harvesting of the Radial Artery for Coronary Artery Bypass Grafting:
- Comparison of Ultrasonic Harmonic Scalpel Dissector with the Conventional Technique
- Radial Artery for Coronary Artery Bypass Grafting
- Can Post-operative Diagnostic Blood Sampling Cause Nosocomial Anemia in CABG Patients?

19th Annual medical Conference, Faculty of medicine, Tanta University, 2004: Egypt

- Prevention of Atrial Fibrillation after Coronary Artery bypasses Grafting Surgery.

8th Pan Arab Congress of Anesthesia, September 23-26 .2004 Beirut, Lebanon

- Antegrade versus Retrograde Cardioplegia in Coronary Artery Bypass Grafting.

4th Meeting of AlBasal heart Society 4 – 7 December, 2004 Damascus, Syria.

- Predictors of Atrial Fibrillation after Coronary Artery Bypass Grafting.

12th Annual Meeting of the Egyptian Cardiothoracic Surgery , 2005:Egypt

- Predictors of Atrial Fibrillation after Coronary Artery Bypass Grafting in Saudi Population

CARDIO Alex 2005: 27th Summer Meeting of ESC, Pan Arabic Interventional Cardiology Conference ,8th Annual Summer Meeting of working group on electrophysiology and pacing. 2005,Alexandria, Egypt.

- Comparison of Graft flow between On and Off Pump Coronary Grafting
- Ductal Closure in extremely very low birth weight (480 gm) Premature Infant. A case report

7th Biennial Meeting of the Syrian Cardiovascular Association .15-17 September 2005.Aleppo-Syria

- Comparison of Graft flow between On and Off Pump Coronary Grafting

The European Society for Cardiovascular Surgery 54th International Congress, , May 19-22, 2005 Athens, Greece

- A new venoarterial modified ultrafiltration

17th Scientific Session of the Saudi Hearth Association. 31 January-2 February 2006, KSA

- Comparison of Graft flow between On and Off Pump Coronary Grafting

13th Annual Meeting of the Egyptian Cardiothoracic Surgery 14-17 April2006: Egypt

- Clinical and Histological study of Radial artery conduit for CABG: Comparison of two harvesting methods

14th Annual Meeting of the Egyptian Cardiothoracic Surgery 14-17 April 2007:Egypt

- Transmyocardial laser revascularization: Fact or fiction?

14th Annual Meeting of the Egyptian Cardiothoracic Surgery 14-17 April 2007:Egypt

- Can local application of Tranexamic Acid reduce post CABG blood loss?.

Annual Conference of Pan Arab Society of Interventional Cardiology, Annual Conference of the Egyptian Working Group of Cardiovascular Drug Therapy (CDT) & Summer Meeting of the ESC–ALEXANDRIA SUMMER COURSE. 27th-29th June 2007 Alexandria, Egypt.

- Predictors of packed red blood cell transfusion after primary isolated coronary artery bypass grafting surgery

Canadian Cardiovascular Society Conference, October 2007, Quebec city, Canada.

- Early outcomes in patients who underwent urgent coronary artery bypass grafting surgery after administration of Colpidogrel.

American Heart Association Scientific Sessions 2007: Orange County Convention Center – 2007, Orlando, FL,USA.

- Clinical Outcomes after Urgent Coronary Artery Bypass Surgery in Patients on Clopidogrel: Are the Risks Tangible or Anecdotal?

The 12th Annual Terrence Donnelly Cardiac Residents' Research : Royal York Hotel, Toronto: April 19, 2008:

- Early outcomes in patients who underwent urgent coronary artery bypass grafting surgery after administration of Clopidogrel.

The 18th world society of Cardio-Thoracic Surgery; May 2008 2008, Kos Island - Greece:

- Early outcomes in patients who underwent urgent coronary artery bypass grafting surgery after administration of Clopidogrel.

The 6th Meeting of AlBasel Heart Society ,Nov. 29th –December 3rd 2008, 2008 Damascus-Syria .

- Early outcomes in patients who underwent urgent coronary artery bypass grafting surgery after administration of Clopidogrel.

The 35th Annual Conference of the Association of The Egyptian American Scholars, 27-29th Dec.2008 2008 -Cairo Egypt.

- Early outcomes in patients who underwent urgent coronary artery bypass grafting surgery after administration of Clopidogrel.

The first Pediatric Cardiac surgery Meeting (Organizer): Faculty of Medicine, Tanta University, Tanta Egypt 23 February 2009

- Bed side Ductal closure in premature babies.

The 3rd Annual meeting of Cardiothoracic Surgery Department (Organizer): Faculty of Medicine , Tanta University , Tanta Egypt 11 March 2009

- Cardiac surgery in Geriatrics: A Review
- Rib fracture in elderly

The 16th Annual meeting Of The Egyptian Society of Cardiothoracic Surgery , JW Mariot Hotel , Cairo Egypt 14 April 2009

- Should moderate functional mitral regurgitation addressed at time of aortic valve replacement for severe aortic stenosis: evidence based review

ACC 2011:New Orleans , USA April 1-5th 2011

- The Value of Risk Algorithms in Predicting Outcomes for Octogenarians Undergoing Aortic Valve Replacement With or Without CABG.
- Impact of Patient-Prosthesis Mismatch on Octogenarians after Aortic Valve Replacement

Ottawa Heart Institute Research day , 5 May 2011 Ottawa, ON Canada

- OPCAB Does Not Preserve Renal Function better than CABG: Results of a Case-Matched Study in 5,940 patients
- The Value of Risk Algorithms in Predicting Outcomes for Octogenarians Undergoing Aortic Valve Replacement With or Without CABG

AATS 2011: Philadelphia, USA 1-5th May, 2011 numbering started from 33, where are other numbers?

- OPCAB Does Not Preserve Renal Function better than CABG: Results of a Case-Matched Study in 5,940 patients

28th Annual Collins Surgical day. Ottawa University:

- Impact of Patient-Prosthesis Mismatch on Octogenarians after Aortic Valve Replacement

XXVIIth meeting of the Association of Cardiac surgeon: June 15-18, 2011, Montreal, Quebec, Canada

- OPCAB Does Not Preserve Renal Function better than CABG: Results of a Case-Matched Study in 5,940 patients

6th Joint Meeting of the Society for Heart Valve Disease & Heart Valve Society of America Barcelona, Spain, from 25-28 June 2011

- The Value of Risk Algorithms in Predicting Outcomes for Octogenarians Undergoing Aortic Valve Replacement With or Without CABG.
- Impact of Patient-Prosthesis Mismatch on Octogenarians after Aortic Valve Replacement.

Canadian Cardiovascular Congress: 64th annual meeting of The Canadian Cardiovascular society. Vancouver, British Columbia Canada. October 22-26, 2011

- OPCAB is not associated with better postoperative renal function compared to CABG.
- Preoperative Anemia is a risk factor for mortality and morbidity following Aortic Valve Surgery.
- The Value of Risk Algorithms in Predicting Outcomes for Octogenarians Undergoing Aortic Valve Replacement With or Without CABG.
- Impact of Patient-Prosthesis Mismatch on Octogenarians after Aortic Valve Replacement.

Aortic Valve Symposium : New York, USA. April 26-26 2012.

- Complex aortic valve repair and ascending aorta replacement for Quadricuspid aortic valve associated with ascending aorta dilatation

25th Annual Heart Institute research day: May 7th, 2012 Ottawa, On Canada

- Double valve replacement: biological versus mechanical valves.
- Preoperative Anemia is a risk factor for mortality and morbidity after aortic valve replacement

29th Collin surgical day May 11th, 2012 .University of Ottawa, Ottawa, Canada.

- Double valve replacement: biological versus mechanical valves.
- Preoperative Anemia is a risk factor for mortality and morbidity after aortic valve replacement

Aortic Valve Symposium: New York, USA. April 26-26 2012

- Complex aortic valve repair and ascending aorta replacement for Quadricuspid aortic valve associated with ascending aorta dilatation

The Canadian Cardiovascular Congress (CCC) in Toronto, October 27-31, 2012

- Dabigatran use associated with life threatening mechanical valve thrombosis: A report of 2 cases
- Double valve replacement: biological versus mechanical prostheses.
- Comparison of EUROSCORE, society of thoracic surgery score and cardiac anaesthesia risk evaluation(CARE) score for risk adjusted mortality analysis in octogenarian undergoing aortic valve replacement
- Risk stratification in thoracic aortic surgery: Does aortic size correspond to medial degeneration?
-

The 26th EACTS Annual Meeting, 27-31 October 2012, Barcelona, Spain

- Double valve replacement: biological versus mechanical prostheses.
- Preoperative Anemia is a risk factor for mortality and morbidity after aortic valve replacement

AHA scientific session 2012: Los Angeles, USA 4-8 November 2012

- Risk stratification in thoracic aortic surgery: Does aortic size correspond to medial degeneration?

35th Annual Society of Cardiovascular Anesthesiologists Meeting, Fontainebleau Hotel - Miami Beach, FL April 6 - 10, 2013.

- Predicting New Postoperative Atrial Fibrillation in Cardiac Surgery Patients

AATS93ed annual meeting 4-8 May 2013'Minneapolis MN, USA

- Clinical evaluation of functional mitral stenosis after mitral valve repair for degenerative disease: potential impact of surgical strategy

AATS Mitral conclave. May 1-3 2013 ,New York , USA.

- Determinants of Postoperative LV Dysfunction in Patients with Chronic Asymptomatic Severe Mitral Regurgitation Due to Myxomatous Degeneration

26th Ottawa Heart Institute Research day , 14 May 2013 Ottawa, ON Canada

- Clinical Impact of Mild Acute Kidney Injury Following Cardiac Surgery

CARDIO Alex 2013: Summer Meeting of ESC, Pan Arabic Interventional Cardiology Conference ,8th Annual Summer Meeting of working group on electrophysiology and pacing. 2013,Alexandria, Egypt.

- Preoperative anaemia is a risk factor for mortality and morbidity following aortic valve surgery
- Outcomes Following Repair of Bileaflet Prolapse Due To Myxomatous Disease of the Mitral Valve
- Should Jehovah's Witness patients be listed for heart transplantation?

European Society of Cardiology Congress .Amsterdam Nederland. August 31th-September 4th 2013

- Determinants of postoperative left ventricle dysfunction in patients with chronic asymptomatic severe mitral regurgitation due to myxomatous degeneration
- Impact of mitral valve repair on late postoperative left ventricular function in patients with non-ischemic cardiomyopathy

The Canadian Cardiovascular Congress (CCC) in Montreal, October 17-20, 2013

- Valve prosthesis selection in patients with left sided endocarditis
- Impact of mild acute kidney injury following cardiac surgery
- Perioperative mortality following mitral valve repair surgery may be overestimated by contemporary risk models.
- Impact of etiology on long term outcomes following edge-to -edge repair of regurgitant atrioventricular valves

STS 50th Annual Meeting January 25-29, 2014 Orlando, Florida 32821, USA

- Clinical Impact Of Mild Acute Kidney Injury Following Cardiac Surgery
- Perioperative Mortality following Mitral Valve Surgery May Be Overestimated by Contemporary Risk Models

AATS Aortic Symposium 2014 , New York ,April 24-25, 2014:

- Deep Versus Mild Hypothermia For Aortic Arch Surgery

AATS 94th Annual Meeting , Toronto, ON, Canada, April 27 -20,2014:

- Principles of repair of Quadricuspid aortic valve

27th Annual Heart Institute research day: May 9th, 2014 Ottawa, On Canada

- Deep versus mild hypothermia for limited aortic arch surgery

31st Collin surgical day May 9th, 2014 .University of Ottawa, Ottawa, Canada.

- Deep versus mild hypothermia for limited aortic arch surgery .

European Society of Cardiology Congress . 30 Aug 2014 - 03 Sep 2014 , Barcelona - Spain :

- Predictors of hospital readmission for sternal wound infection after coronary artery bypass grafting surgery

The Canadian Cardiovascular Congress (CCC) in Vancouver, October 25 to Tuesday, October 28, 2014

- Determinants of late outcomes in women undergoing repair of myxomatous degeneration .
- Deep versus mild hypothermia for limited aortic arch surgery .
- Natural history of infective endocarditis requiring mitral surgery in patients who use intravenous drugs

STS 51th Annual Meeting January 24-28, 2015 San Diego, California USA

- Determinants of Late Outcomes in Women Undergoing Repair of Myxomatous Degeneration

AATS MITRAL CONCLAVE 2015 april23-24 2014 New York NY USA :

- Ischemic Mitral Regurgitation: In Whom Should Mitral Valve Repair Be Performed?

The Canadian Cardiovascular Congress (CCC) in Toronto, October 23-27, 2015:

- ISCHEMIC MITRAL REGURGITATION:IN WHOM SHOULD MITRAL VALVE REPAIR BEPERFORMED?

EURO imaging Seville , Spain 2-5 December 2015

- A patient with functional mitral regurgitation (Invited speaker)

STS 51th Annual Meeting January 23-27, 2016: Phoenix Convention ,Phoenix, Arizona, USA:

- Insights From Longitudinal Echocardiographic Follow-Up After Surgical Correction of Mitral Prolapse: Modes of Mitral Repair Failure
- Ischemic Mitral Regurgitation: In Whom Should Mitral Valve Repair Be Performed?

The Canadian Cardiovascular Congress (CCC) in Montreal, October 22-25, 2016

- DURABLE IS REPAIR OF DEGENERATIVE MITRAL REGURGITATION IN THE YOUNG?

AHA Scientific Sessions 2016:

- How durable is repair of degenerative mitral regurgitation in the young?

34st Collin surgical day May 5th, 2017. University of Ottawa, Ottawa, Canada.

- Predictors and impact of recurrent renal dysfunction following cardiac surgery-associated acute kidney injury

ECTSS 57th Annual Meeting: Naples, Florida , USA `17-19 October 2019:

- Prophylactic Negative Pressure Wound Dressing Does Not Reduce the Incidence of Sternal Wound Infection After Coronary Artery Bypass Grafting: A Propensity-Matched Analysis
